**Visit the all-new Green Street!** The first ever “Green Street” at the Portland Spring Home & Garden Show will offer the perfect opportunity for those searching for the finest in sustainable and responsible home product and services. Part of the Home Builders Association’s Green Council, these vendors had to pass the green seal of approval before being allowed to be on Green Street.

Look for great products and services around these topics: On-Site Water Management, Solar Renewable Power, Reclaimed and Recycled Content Products, Windows, Insulation, Air/Duct Sealers, Indoor Air Quality, Lighting, Pervious Pavement, Paint, Carbon Offsetting, Home Certification Consultants, Eco Roofs, Education and Consumer Awareness.
