One of Portland's top remodeling companies to offer seminars during the Portland Home & Garden Show®

Portland, OR -- Neil Kelly Design / Build Remodeling will be offering half hour seminars at the Portland Home & Garden Show. Seminars will be presented at least once an hour at the Neil Kelly booth presented by Neil Kelly Remodeling Designers or Home Performance Specialist. Topics will range from kitchen and bath design to basement remodeling, green remodeling, universal design plus energy efficient home upgrades. **Visit the Portland Home & Garden Show this February 24 through 28 at the Expo Center, All inside the Neil Kelly Design / Build Remodeling Booth**

Established in 1947, Neil Kelly Design/Build Remodeling has earned a national reputation for innovative design solutions and quality workmanship, with special emphasis in environmentally sound and sustainable building and remodeling practices. Neil Kelly showrooms in North Portland, Lake Oswego, Eugene and Bend are open to the public and staffed with a nationally recognized team of designers to answer your questions. Now you can visit the Portland Home & Garden Show to learn about these great topics:

Bath Design and Remodeling current design trends, information on fixture selection, including before and after photos of recent bath projects.

Kitchen Design & Remodeling the latest in design trends, creation of an efficient workspace, and before and after photos of recent kitchen projects.

Universal Design and Remodeling an approach that supports our preference to live at home by making specific design choices that aid mobility and access for everyone.

Basement Design & Remodeling regaining under-utilized space with examples of recently remodeled basements improve homeowner comfort while meeting all codes and legal requirements.

Green Design & Remodeling green materials and methods commonly used to reduce environmental impacts while showing completed green projects. Home Energy Retrofits improve home efficiency, comfort and safety while enjoying tax benefits and tax rebates.

Full information on the free seminar schedule at the Portland Home & Garden Show is available at www.neilkelly.com or by calling 503-335-9204.
