WELCOME TO A WORLD OF OUTDOOR ADVENTURE!

The majesty and magic of the outdoors captured legions of new anglers and hunters in 2020. Outdoor recreation proved to be the ultimate COVID relief measure as people took to the outdoors in new RV's, boats, boots, kayaks, tents, bikes and fishing and hunting gear intent on getting out of the house safely.

Expect 2021 to be much the same. Outdoor recreation will continue to be a safe haven for us all to enjoy. The Sportsmen's Shows have announced, "It's time to get out!", and the shows are your gateway to get your season started right.

This year you can look forward to a cavalcade of opportunity across the Northwest and beyond. The iconic Sportsmen's Show seminar series will get you pointed in the right direction. From spring chinook and public lands elk to walleye tactics and waterfowl hunting, you'll find plenty to tune-into at this year's shows.

It should come as no surprise the Sportsmen's Shows are staunch advocates of public access. This year we're proud and privileged to present as our Sportsmen's Show Ambassador, renowned public lands advocate and hunter, Randy Newberg. He hunts where you hunt. He'll be offering daily Q&A sessions, Thursday through Sunday. Check the seminar schedule for times.

Don't miss the first-ever Central Oregon Sportsmen's Show Outdoor Cooking Competition. Award-winning outdoor cooks are on-board and cooking up a storm with cooking demonstrations running all-day. You'll learn plenty watching these masters go head-to-head with championship form and recipes.

And just like every year, hundreds of businesses from across the country and globe take center stage with their outdoor products and services for you to buy...many at special show-only prices.

Welcome to the 2021 Central Oregon Sportsmen's Show we're glad and grateful you're aboard...enjoy the ride!

REASONS TO ATTEND

- ⊙ **Join us in celebrating 22 years!** Thanks to Central Oregon's gracious support the Central Oregon Sportsmen's Show continues to grow and evolve as the ebb-and-flow of exhibitors and exhibits changes with the passing years. See the latest in hunting, fishing, RV's, boats and outdoor recreation along with wildlife art, apparel, food and things to do --- it's fun for one or the whole family!
- ⊙ **Randy Newberg.** Celebrated hunter and public lands and public access advocate, Randy Newberg is joining us this year. We're thrilled! He'll be at the show and delivering a daily Q&A session on hunting elk on public lands. This is a special opportunity for local hunters to connect with one of the world's best. Randy's skilled, accessible, easy-to-talk-to and helpful.
- ⊙ **Outdoor Cooking Competition!** The first-ever Central Oregon Sportsmen's Show Outdoor Cooking Competition is set for this year's show. Top outdoor cooks will be competing in this competition for important points needed to qualify for national and international championships. It's one day, all-day Sunday with a focus on Dutch Oven cooking. Bread, main course and dessert are the three challenges of this competition. This is a first-ever event and an opportunity to get started with Dutch ovens or hone your already prodigious skills with advice from the best!
- ⊙ **Head & Horns above the rest.** Want to be impressed? Even if you don't hunt you have to check these bodacious trophies out, they're well worth seeing.
